Training Program

CSPOs are typically the individuals who are closest to the "business side" of the project. They are charged by the organization to "get the product out" and are expeted to do the best possible job of satisfying all the stakeholders. CSPOs maintain the product backlog and ensure that everyone knows the priorities.

Taking the CSPO course is the first step on your path of becoming more Agile. To truly master Scrum, experience and continuing education are necessary.

As a CSPO, you will be able to fulfill the role of Product Owner on a Scrum team. You will also gain access to local user groups, online social networks, and other exclusive resources for CSPOs. In addition, CSPOs receive a profile page on the Scrum Alliance website and will have access to a specially designed logo to highllight their credentials.
