EDUCATION

# Intellectual POINT

Globally recognized and demanded, the PMP® & CAPM® demonstrates that you have the experience, education, and competency to lead and direct projects. In an increasingly projectized world, professional certification ensures that project managers are ready to meet the demands of projects across the globe. Materials in this class are based on the Project Management Institute, A Guide to the Project Management Body of Knowledge, (PMBOK® Guide) – Sixth Edition, Project Management Institute, Inc., 2017.

PMP® and CAPM® are registered marks of the Project Management Institute®, Inc.

### PREREQUISITES

**Students are required to have either of the following for the Project Management credential:**

- A secondary degree (high school diploma, associate's degree or the global equivalent), 7,500 hours of leading and directing projects and 35 hours of class instruction **OR**
  - A four (4) year degree, 4,500 hours of leading and directing projects and 35 hours of class instruction
  - If a student wishes to enroll into the Project Management program and does not meet the requirements above, they will still be able to enroll into the Certified Associate in Project Management (CAPM®) exam in place of the Project Management Professional (PMP®) exam. We provide the same class instruction for the CAPM® exam.
