## FOR IMMEDIATE RELEASE

### Governor Northam Announces Administration Appointments

(Sterling, VA) – Governor Ralph Northam of Virginia has announced additional appointments to his Administration. Prem Jadhvani, CEO and President at Intellectual Point, Sterling, Virginia, was appointed as an Advisor to the Council for the State Rehabilitation for the Blind and Vision Impaired.

Intellectual Point has mentored and guided many successful students from DARS and DBVI along the training road to IT certification. In addition to the training courses, students were provided with review sessions, recordings, practice tests, counseling, and resume help, with a goal of ensuring Intellectual Point's courses were continuously accessible for students with disabilities. Intellectual Point is a proud partner of DBVI and was named DBVI's 2020 Partner of the Year.

###

#### ABOUT INTELLECTUAL POINT

Intellectual Point is a leading IT training, consulting and workforce development company that provides professional, hands-on information technology training in the areas of Information Assurance, Cybersecurity, Cloud computing, Big Data, Networking, and Program Management. As an experienced provider of training to the Department of Defense to meet their rigorous DOD 8570.01 Directive, Intellectual Point is committed to providing high-quality training programs and consulting services based on the proven NIST NICE Framework, Risk Management Framework, ITIL, and Project Management processes.
