EXCELLENCE  
THROUGH  
EDUCATION

**Intellectual**  
POINT

CompTIA ITF+ helps professionals to decide if a career in IT is right for them or to develop a broader understanding of IT.

- ITF+ is the only pre-career certification that helps students or career changers determine if they have a competency for information technology and if it is the right career path for them.
- ITF+ is the only single certification that covers all areas of IT foundations, creating a broader understanding of IT making it ideal for non-technical professionals.
- ITF+ establishes an IT education framework for students in middle school and high school.

### What you will learn:

- Identifying and explaining computer components
- Setting up a workstation, including conducting software installations
- Establishing network connectivity
- Identifying compatibility issues and identifying and preventing security risks
- Managing the safety and preventative maintenance of computers
