How it Works!

We have top companies from the Northern Virginia area looking to fill some great cybersecurity jobs. These great companies will share some helpful information about their services and what they are looking for. They will also share what open jobs they have. Be sure to have your resume ready because you will have the opportunity to apply with Intellectual Point to support you.

Tips

- Make sure your resume is updated. Your profile should contain a short, 4-5 sentence paragraph summarizing your experience. Modify your skills/expertise/proficiencies to directly align with the job requirements.

- Top Tips for Using Your LinkedIn Profile

- Need some extra preparation for the event? Be sure to attend our Career Exploration Night!

- Research what jobs you are interested in so you can focus on what jobs you want to apply for.

- Don't be discouraged if 5 days elapse and you don't get word. Follow up. Politely but persistently.

- **Good luck, go get 'em.**
