

**REAL TRAINING. REAL PRACTICE.  
REAL RESULTS.**

**THE AIR FORCE VOLUNTARY CREDENTIALING PROGRAM** enables eligible and authorized Air Force and Space Force Professionals to obtain and maintain professional certifications that will enhance their career opportunities while serving in the military as well as increasing their competitiveness in advancing their post-military civilian careers. Participation in a voluntary credentialing program improves force readiness and provides members with expanded professional skills and competencies.

- Credentials related to Civilian Occupations
- Credential requirements and potential gaps between Army training and civilian credentialing requirements
- Resources available to fill gaps between military training and civilian credentialing requirements

## **WHO CAN PARTICIPATE**

All enlisted servicemembers in the Air & Space Force are eligible to participate.

AF COOL SERVES A VARIETY OF AUDIENCES, INCLUDING:

- Airmen & Guardians who want to find out what civilian credentials apply to their AFSC and how to obtain the credentials.
- Education, Career/Retention and Transition Counselors who provide guidance on educational, professional growth, and career opportunities and requirements.
- Air Force Recruiters who want to demonstrate to potential recruits the opportunities for professional growth and civilian career preparation provided in the Air Force and Space Force.
- Employers and Credentialing Boards interested in learning about how military training and experience prepares Soldiers for civilian credentials and jobs.

The Department of Defense and the Department of the Air Force are neither affiliated with nor endorse Intellectual Point.
